

**Training Title**

**FINANCIAL MODELLING AND DECISION MAKING**

**Training Duration**

**5 days**

**Training Venue & Dates**

REF#	Training Title	Days	Dates	Price	Training Location
FB050	FINANCIAL MODELLING AND DECISION MAKING	5	13-17 Jan'19	\$5,500	Istanbul

In any of the 5 star hotels. The exact venue will be informed later.

**Training Fees**

- 5,500 US\$ per participant for Public Training includes Materials/Handouts, tea/coffee breaks, refreshments & Buffet Lunch.

**Training Certificate**

Define Management Consultancy & Training Certificate of course completion will be issued to all attendees

Language: English

Material Language : English

**COURSE OBJECTIVES:**

Learn financial modeling using advanced Excel tools.

Build financial models through stepwise projection of Income statement, balance sheet and cash flows

[www.definettraining.com](http://www.definettraining.com)

Learn business valuation using comparable and discounted cash flow approach

Master Trading Comps valuation (P/E, P/B, EV, EBITDA etc.)

Apply scenario and sensitivity analysis

Learn circular reference technique and check sheets

Differentiate key modeling techniques between Modeling for Mezzanine Capital Investments and modeling for Investments in convertible structures

Conduct Merger and Acquisition Accretion Analysis

## Design Data Dashboards
