TRAINING OVERVIEW

TRAINING DESCRIPTION

High performing teams don't just 'happen'. Developing teams of people who work well together, and who harness the differing strengths and attributes of all team members, needs team leaders and managers who understand the process involved and are prepared to put effort into the things that make a real difference.

Ultimately building and nurturing high-performance teams is vital for managers in all organizations because High-performance teams deliver better results and deliver them faster. High-performance teams work in an open and dynamic environment allowing cross-fertilization of ideas, have a common purpose, team member's support and challenge each other, talent is recognized and harnessed, team members enjoy working and achieving together and foster good team spirit. This Building High-Performance Teams workshop concentrates on how leadership style and management behavior's can impact on individual and team performance. It is an interactive training session comprising presentation, best practice, discussions, case studies and self-assessment questionnaires.

TRAINING OBJECTIVES

- Appreciate the power of good teamwork.
- Understand the impact of different leadership styles.
- Understand the impact of Corporate Culture & Policy.
- Identify the development stage of individual team members and master Situational Leadership.
