INTRODUCTION

Building Organizational Loyalty requires understanding on how to deal with employees. Employees become loyal to the organization when they feel they are respected and appreciated for what they do. How can a manager make his employees feel good about themselves? In this course, participants will learn skills that help them understand and apply skills and tools to make employees loyal to the organization. Participants will participate in Exercises, role-plays.

OBJECTIVES

- Understand how to create work environment that support Loyalty
- Learn the different types of employees and how to deal with them in a positive manner.
- Motivating employees in a positive way
- Leading employees for loyalty
- Power point presentation will be presenting the main points with appropriate time for discussions. Exercises to provide practical experience and case studies to support different ideas will be supporting the learning. Participants will be encouraged to bring their own experiences and challenge the learned concepts and practices.

TRAINING METHODOLOGY:

A highly interactive combination of lectures and discussion sessions will be managed to maximize the amount and quality of information and knowledge transfer. The sessions will start by raising the most relevant questions, and motivate everybody find the right answers. You will also be encouraged to raise your own questions and to share in the development of the right answers using your own analysis and experiences. Tests of multiple-choice type will be made available on daily basis to examine the effectiveness of delivering the course.

All presentations are made in excellent colorful power point. Very useful Course Materials will be given.
